

Why our clients pick us:

We have extensive reporter coverage downtown, in the suburbs, and all of the Chicagoland area.

Deposition suites in Lake County and downtown in the Chicago Loop.

Expert witnesses, including doctors, engineers, and more, prefer holding their depositions at our offices.

We go above and beyond.

With large-agency capabilities from our locally-owned small business, you'll never fall through the cracks.

Store entire case archives, exhibits, documents, images, video, and more on our unlimited online repository.

No client is too big or too small for us. We provide solutions for all your litigation support needs.

Located in the center of the I-94/294 business corridor.

Convenient, easily-accessible location near major Fortune 500 company headquarters and local hospitals.

Our offices are within a short driving distance from O'Hare Airport.

Reporters available for all Chicago area courts, including Waukegan and downtown at the Daley Center.

On-site restaurant, The Leaf Cafe, available for breakfast and lunch.

Bannockburn Atrium
2275 Half Day Rd. - Suite 147
Bannockburn, IL 60015

Court Reporting

- Over 30+ licensed, experienced, and efficient court reporters available.
- Our agency covers trials, depositions, meetings, hearings, and more in city, suburbs, downstate, anywhere.
- Realtime reporting available for live streaming of our proceedings to a computer or tablet device.
- Our reporters specialize in complex medical and technical testimony.
- eTranscript, digital/linked exhibits, online repository, and more available.

Legal Videography

- Certified Legal Video Specialists (CLVS) available for depositions.
- Record testimony from experts or key witnesses to view body language, facial expressions, and more.
- Have a witness who can't appear at trial? Use our videographers to tape evidence depositions and have the testimony played back at trial.
- Synchronize the transcript to video, follow along with the video line-by-line, and generate clips to import into your case management software.

Deposition Suites

- Four large, spacious conference rooms in Lake County near Deerfield.
- High definition video conferencing available in all rooms. Connect to Polycom/Lifesize systems or bridge to PCs and phones around the world.
- Keurig coffee makers, conference speakerphones, document printing, and scanning available at our office.
- Conveniently located off I-94 at Half Day Road just 20 minutes away from O'Hare Airport, making our location perfect for out-of-town clients.
