

High-Definition, high-quality
Global IP video conferencing

Save on time and travel costs with HD video conferencing

- Remotely attend depositions anywhere from the convenience of our offices
- Hold a deposition at our office to allow another participant to attend remotely
- High visual detail with our HD cameras
- Crystal-clear audio with dedicated table microphones and built-in sound bar
- Our units connect to Polycom/Lifesize systems, or to PCs/Macs with Zoom
- We'll find a video conference site and a court reporter anywhere you need it with our worldwide networking options
